This amendment is in response to the Commission's letter dated February 3, 2006. In the process of producing this monthly report, the Committee discovered discrepancies in its previously filed reports, however, was unable to make the corrections. We are in the process of determining what corrections need to be made in the previous reports and will be filing amendments reflecting these corrections. Receipts from Names in the News are for list purchases, and the prices paid to the Committee for the lists are determined by the vendor as the fair market value for the purchases. The Disbursements disclosed on Schedule B for 'Direct Mail' and 'Telemarketing Expense' are for federal fundraising for the Committee and do not represent and expenditures for public communication containing any express advocacy for any identified Federal candidate. Regarding the Committee's Best Efforts: The Committee's original solicitations for contributions include a request for contributor information, including, but not limited to their name, address, occupation, and employer, explaining in a clear and conspicuous manner that the Committee is required by law to both request this information and report the information that is provided. At the end of each month, the Committee mails a letter requesting the information for those individuals whose aggregate year to date contributions exceed \$200. This is in the form of a stand alone request that is accompanied by a self addressed envelope. Any information that is received as a result of the secondary requests is provided with amended reports submitted to the Commission.
